My sis - ters,  
 My broth - ers, bless the Lord, There is no oth - er God. God.  
 All chil - dren,  
 To - geth - er,

This hymn was originally sung in a responsorial manner: a leader initiates each phrase, with the group responding with the words “bless the Lord.” If sung in this way, the leader enters with each new phrase while the group is holding the word “Lord,” and then all sing “There is no other God.”
